

## **Pumpkin lantern:**

**Orange paper (8.5x11)**

**Green strip (2inx 11in)**

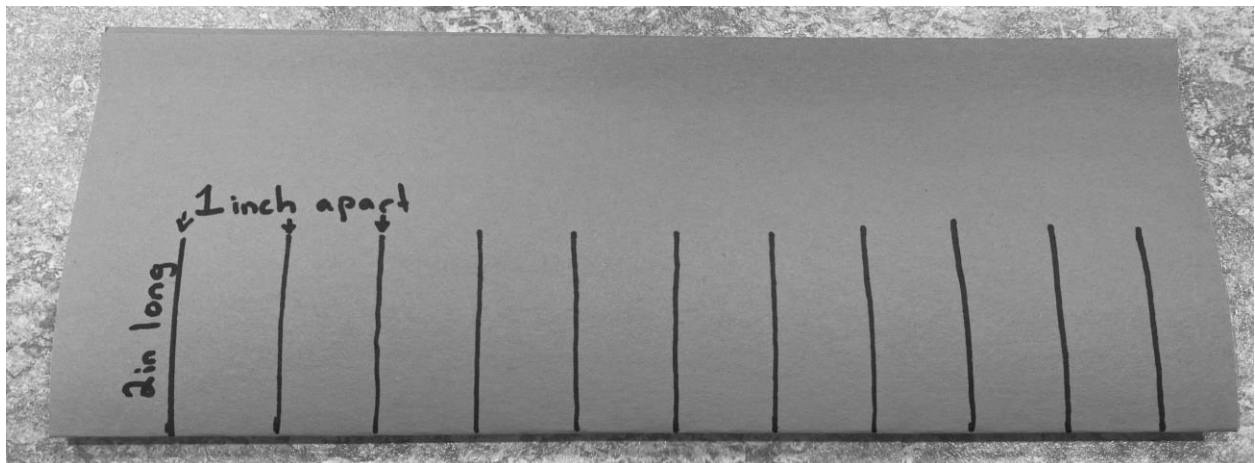

**Scissor**

**Marker or crayon**

## **Instructions**

**1. Fold orange paper in half long ways (hotdog style).**

**2. Make 2in long lines starting at the folded edge of the paper. Make sure each line is 2 inches long and 1 inch apart**

**3. Have child cut online until it stops.  
(make sure not to cut all the way through  
paper.)**

**4. Unfold, wrap ends together and glue or  
tape to make lantern shape.**

**5. Tape on or glue green strip for stem.  
Decorate with a marker to make a face.**
