

# **Knight's Shield**

## **Items:**

**Cardboard or large plastic serving plate**

**Tinfoil**

**Glue**

**Paint**

**Paintbrush**

**Scissors**

**Knife (adults only)**

**Duct tape**

## **Directions:**

- 1. Trace shape of shield on cardboard. (If using plate skip to step 3.)**
- 2. Have your adult cut out shape with knife or scissors.**
- 3. Glue tinfoil to one side of the shield.**
- 4. Decorate front of shield with paint and other craft items.**
- 5. Handles: Cut two long pieces of duct tape and roll so no sticky parts are showing. Tape the end of each roll to the back of the shield; leaving slack in the middle to put your arm.**
- 6. Be a knight that battles a dragon.**
