

Groundhog Hole

Small wooden spoon

Plastic or Styrofoam cup

Paint, markers, or crayons (Brown)

Googly eyes

Construction paper (green and Brown)

Instruction:

- 1. Paint or color spoon with marker or paint. Let dry.**
- 2. Decorate spoon with googly eyes and mouth to look like groundhog.**
- 3. Punch hole in bottom of cup. Big enough for spoon to move up and down.**
- 4. Cut out a circle of construction paper; just a little bit bigger than the cup opening. Cut slits in the center but not all the way through.**
- 5. Push spoon through hole in cup from inside and glue circle over the cup's opening. Let dry.**
- 6. Push spoon up to make it look like groundhog coming of hole.**
