

# Fishing Pole

## Items:

Wooden dowel (1/4 or 1/2 diameter)

String (3 feet long)

Small magnet

Tape or glue

Fish templates

Cardboard or heavy paper (templates)

Paperclips

## Instructions:

1.) Tie string to the end of the dowel

2.) Glue, tape, or tie magnet to other end of string

3.) Trace and cut fish shapes out of cardboard or paper

4.) Put paperclips on fish shapes

5.) Place fish around you and start fishing
